

QuickBooks® POS

We are Certified QuickBooks® POS ProAdvisors. Let us show you how this powerful system can help your business.

QuickBooks® Point of Sale system is a complete business management solution for your retail store.

You can:

- Track Inventory
- Ring Up Sales
- Store Customer Information
- Display Inventory Photos
- Manage Customer Rewards
- Schedule Data Exchanges Between Stores
- Track Employee Time
- Streamline Shipping

QuickBooks® POS integrates with QuickBooks® financial software to significantly reduce your workload. Sales, activities and time cards can be automatically transferred each day. You will be able to keep tighter track of inventory and improve product pricing to increase profits.

You can track your customers, offer rewards programs and automatic discounts to build stronger customer relationships.

QuickBooks® POS come pre-loaded with many reports that will help you make smart decisions, including setting optimal business hours and staffing levels. Find out your best and worst sellers and more.

QuickBooks® POS is a professional system at an affordable price. More than 70,000 independent retailers use this powerful system to run their stores.

QuickBooks® Point of Sale Solution combines easy-to-use software with retail hardware to manage inventory, sales and customer information. Hardware includes a bar code scanner, receipt printer, cash drawer and credit card swipe guaranteed* to work seamlessly with the QuickBooks Point of Sale software.

* QuickBooks-Approved retail hardware comes with a two (2) year Hardware Component Manufacturers Limited Warranty, an Intuit Limited Warranty of Inter-operability and a sixty (60) Day Money Back Satisfaction Limited Warranty.
